**Stockton on the Forest Village Hall** is situated on the main street in Stockton on the Forest, 5 miles to the North of York just off the A64. The hall is all on one level. It has a large car park with spaces to the front, side and rear of the building. The Coastliner Bus stops outside the main gate every 30 minutes. There is disabled access throughout the building which comprises the main hall, a stage area, three side rooms, a large kitchen and toilets with baby change facilities. It has a max. capacity of 205 people. A limited number of temporary event licences (for the sale of alcohol) are also available.

### Main Hall

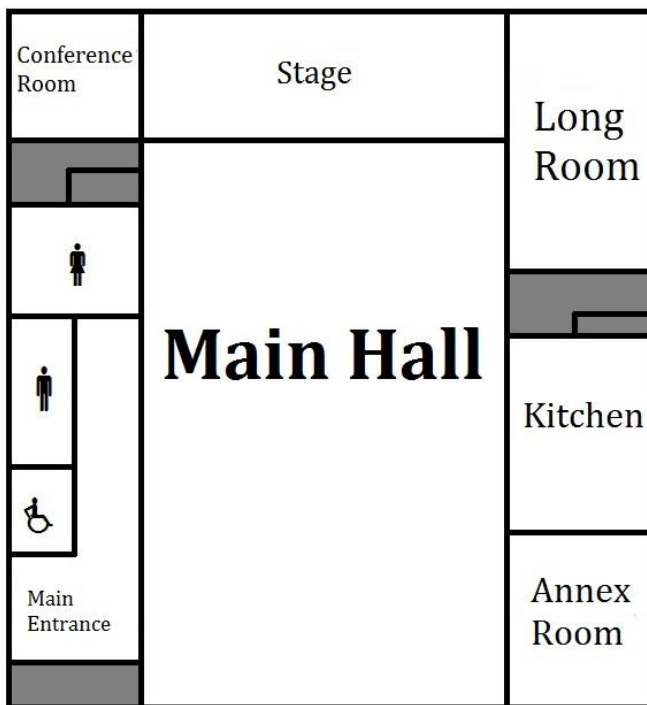

This room has a polished wooden dance floor and is suitable for most kinds of events or celebrations it is limited only by your imagination (unfortunately we cannot accommodate teenage, 18<sup>th</sup> or 21<sup>st</sup> birthday parties). It can accommodate up to the full 205 people, 150 comfortably seated. The stage is ideal for performances of all kinds and lighting can be arranged through the resident drama group.

### Conference Room

This smaller side room has a large table and is ideal for meetings of 8 to 10 people.

### Long Room

Not to scale

This large carpeted side room is ideal for smaller social gatherings or lectures and will comfortably hold 25-50 people depending on the layout. Fitted with **large screen and projector** for presentations and has its own toilet. It can also be divided into two areas and has direct access to the stage making it perfect as a green room or dressing room for performances. A separate side entrance can be used with access to the car park and kitchen areas so it can easily be hired in isolation to the main hall for smaller functions.

### Annex

This small side room is primarily used by the village Toddler Group. It is ideal for arts and crafts or messy play with a washable floor and its own sink. It has direct access to the kitchen including a serving counter. (Onsite toys may only be used by prior arrangement with the Toddler Group).
